The Orchard Pool will be open for recreational swimming by staff, girls and their families as from 0715 hours on 6th September 2007 at the following times:

Wednesdays:	0830-0930 hours	Staff and Families
Thursdays:	0715-0815 hours*	Staff and Girls
Thursdays:	1900-2100 hours	Staff, Girls and their Families
Fridays:	1615-1730 hours	Staff only

(*NB: Last entry to the Pool for the early morning sessions is 0800 hours)

With the exception of the Friday session, staff may bring up to 2 guests with them when they swim. You are reminded that as there will only be one lifeguard on duty, only 20 swimmers may use the pool at any one time. Because of this ceiling, you may wish to confirm your intention to swim in advance, by leaving a message on telephone number 01494 719844 during school hours. Parents are reminded that there is a limit of 2 pre-school age children per adult.

On arrival at the Orchard Pool, you should notify the duty lifeguard of your arrival and sign the Attendance Register that will be held by the lifeguard. If appropriate, the lifeguard will verify that a booking has been made and record attendance in the Attendance Register. You, your family and guests are welcome to try “opportunity” swimming (i.e. to arrive without prior booking) but are asked to accept that if the permitted capacity of swimmers has been reached, you will not be permitted to swim immediately and may have to wait until the numbers reduce.

There are no charges for swimming but a voluntary donation of £3.00 would be appreciated per family member and guest. As these are donations rather than charges, the school is able to reclaim tax under the gift aid scheme. Attendance donations will be summarised from the Attendance Registers and this information will be submitted to each member of staff at the end of each term. All swimmers are expected to be familiar with, and obey, the Orchard Pool rules, a copy of which is held by the Lifeguard.

You should note that there are no facilities in the changing rooms for securing valuables and should take appropriate action as necessary.
