Uniform Labelling Guidelines | Page 28

Please note that the Sixth Form Dress Code can be found on a separate document via the School website and Parent Portal.

# General Information

All of the items listed in this booklet are compulsory, unless highlighted as being 'Optional'. Many of the compulsory items in the School design are required to be purchased through our uniform suppliers, Stevensons. Their details can be found at the bottom of each page in this booklet.

The uniform list is colour coded to highlight which items need to be purchased through Stevensons and which may be bought elsewhere:

- Must be purchased from Stevensons as they stock our school design
- Can be purchased elsewhere (may also be available at Stevensons)

We recommend taking a copy of the relevant uniform list with you when you visit them.

## Nearly New Uniform

So much good quality used uniform is available to purchase through our presence on the Uniformerly website. Here, parents can purchase uniform from like-minded Pipers' parents for a fraction of the cost of buying brand new.

The School is not involved in any transaction taking place between buyer and seller.

## Uniform Labelling Guidelines

A guide to uniform labelling can be found on page 28.

- no black trainer-style or high-heeled shoes
- no shoes should have adornments, such as metal charms or shapes

Senior students' shoes must have a heel of at least 1/2-1 inch.

Any student who is wearing shoes which do not conform to the above guidelines, or is wearing shoes which are significantly worn or damaged, will be asked to replace them immediately. Should you be in any doubt about the style of your daughter's shoe, please contact the Head of Year 10 before purchasing.

We feel it is important that student' shoes should be of good quality, not just because of how they look, but to provide support to growing feet. It is with this in mind that we do not recommend shoes from high street fashion stores.
