Sixth Form Dress Code

General Information

Uniform Suppliers

Our uniform suppliers are Stevensons and their details can be found at the bottom of each page in this booklet. We recommend taking a copy of the relevant uniform list with you when you visit them.

Uniform Labelling Guidelines

A guide to uniform labelling can be found on page 5.

Nearly New Shop

So much good quality used uniform is available to purchase through our presence on the Uniformerly website. Here, parents can purchase uniform from like-minded Pipers' parents for a fraction of the cost of buying brand new.

The School is not involved in any transaction taking place between buyer and seller.

Colour Coding

The uniform list is colour coded (where possible) to highlight which items need to be purchased at Stevensons and which may be bought elsewhere.

- Must be purchased from Stevensons as they stock our school design
- Can be purchased elsewhere (may also be available at Stevensons)

We see our Sixth Form students as role models to the rest of the School and expect the highest standards of conduct and appearance.

Students are expected to purchase their own "Sixth Form Uniform" for use in school in the Lower Sixth and Upper Sixth. We recognise that students at this age like more freedom over style and colours, but we advise students to keep specific items for school and others for home wear. This is a half-way house to having a formal Sixth Form uniform which some students acknowledge would be easier in terms of having to think about what you are going to wear each morning.

Sixth Form students are expected to wear a plain tailored suit (jacket with skirt, dress or trousers) in a dark material (black, dark blue, dark grey). This should be complemented with a shirt or blouse and sensible footwear for the school environment. Make-up and jewellery should be discreet.

Guidelines

- The jacket and skirt/ dress / trousers should be made of the same plain material and should be the same colour.
- Skirts / Dresses should be tailored and should reach to just above the knee when standing.
- Trousers should be tailored full length or three quarter length but not very tight fitting.
- Shirts / Blouses can be plain or patterned and should have sleeves (cap, short or long), but should not contain logos.
- Jumpers / Cardigans can be worn, but they should be of a fitted style allowing them to fit under the suit jacket so very little of the garment is on show.
- Jackets are to be worn around school in the same way that students in Year 11 and below wear their jackets each day.
- Shoes may have a small heel and should fully enclose the toes and heel. Boots may be worn, but ankle boots may only be worn with trousers.

The following items are not suitable for school:

- Skirts made of elasticated material | short, tight, stretched skirts which are not made of the same material as the jacket are not allowed at any time.
- Shorts.
- Facial piercings.
- Leggings and Jeans.
- Hoodies and baggy sweatshirts.
- Scruffy boots, flip-flops and trainers.

Students who fail to adhere to these guidelines will be asked to purchase a standard plain dark blue or black Sixth Form uniform suit from Stevensons, our school suppliers.

If you are unsure of the suitability of an item please contact the Head of Sixth Form for advice prior to purchasing.
