Our site has incredible facilities to inspire the next generation, we have a 280 seat theatre, fully equipped for our student technical team, with plenty of performances for our aspiring performers. Our Pipers Radio studio broadcasts live every lunchtime, and the video editing suite is the home of our Pipers TV team.

Sporting facilities include the swimming pool, fitness suite, astro pitch and gymnasium. Forest school is conducted in our on-site woodland, and to encourage environmental awareness we have two outdoor eco-classrooms with wind turbines and water butts. Students of all ages benefit from outdoor lessons in our wildflower meadow.

## Welcome from the Head

At Pipers, there is no such thing as a typical 'Pipers' girl. All members of staff support the students to fulfil their academic and personal potential, enabling them to emerge as mature, confident and independent young adults. Investment in talented and inspirational teaching staff and professional support staff is at the heart of our success, and our recent academic results and overall performance bear testament to this.

Every member of the Pipers community, both academic and support staff, play a vital role in maintaining the excellent standard of education we provide. Underpinning everything that we do is a team of enthusiastic and determined staff, with a willingness to think outside of the box.

Personal development is always encouraged and supported, and well-being is at the forefront for staff as much as students.

I am incredibly proud of the Pipers community and it is a privilege to work alongside such talented staff and positive students.
